

# PTO HOLIDAY SHOP

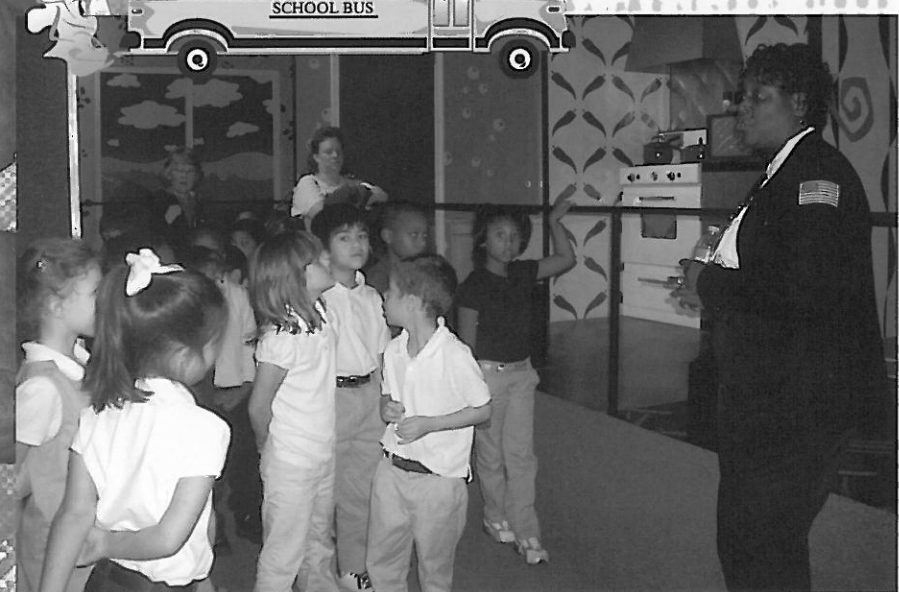

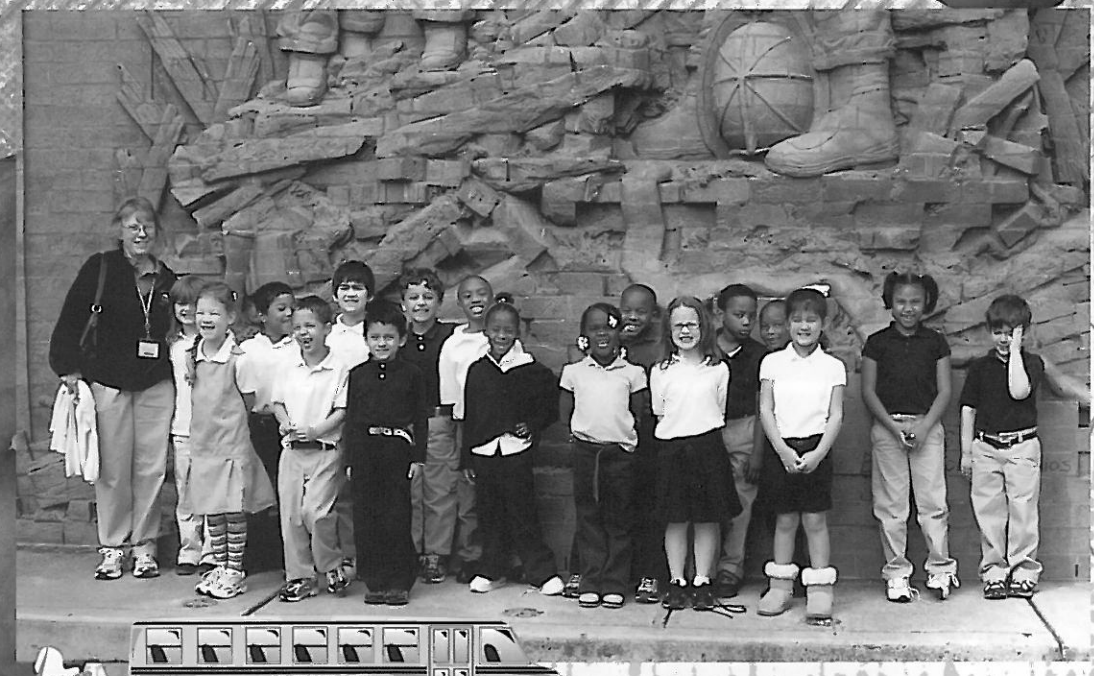

Mr. Bill Lee, Sea Isle School dad, helps children with check-out after they have selected items.

Ladies from the Park Avenue Church of Christ as well as some from Sea Isle Elementary, including Dr. Evans, came together Tuesday evening, December 1 at Park Ave. Church to wrap presents for the school Holiday Shop. Each year the school has a holiday store for students so they can buy small, inexpensive gifts for their friends and family. Many thanks to all who helped out.

Mrs. P.E. Williams helped the children with wrapping their gifts.
